

Serial CW Sender Enclosure Notes

NKØE Serial CW Sender		Keyline
Palm PDA	<i>Palm PDA contest logger Morse interface to HF transceiver</i>	Paddle
9-12 Vdc	"GOlog" ready!	Sending Power ON (down)

The plastic enclosure must be modified slightly to accept the Sender pcb. Use of a Dremel with an Islander Pad Cutter is ideal.

Front panel hole dimensions (approx). Drill to accept switch, LED and jacks.
